NOV/DEC PRACTICES

Practice starts this coming week! Schedules are posted in PlayMetrics! If your child is unable to attend, please let your coaches know, Please note these practices will be 1.5 hours in length as opposed to the 2-hour commitment starting In January. PLEASE MAKE EVERY EFFORT TO ATTEND THESE PRACTICES! The more time the girls can have together and with their coaches, the better! Practices will go through the 2nd week in December with Thanksgiving week off

UNIFORMS

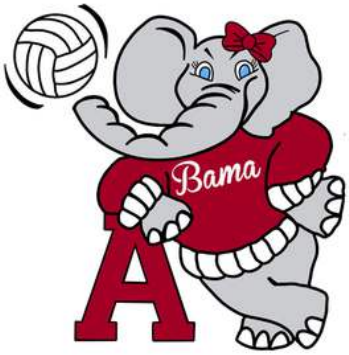

Uniform and practice jersey fittings are coming this week. We will place the order for uniforms this Friday so make every effort to be at practice this week. If your daughter chose to order sleeves, but you haven't paid for them we will manually add those to your bill to be paid on Jan. 1. Please talk to your daughter if you don't want her ordering sleeves as we will confirm this during the fittings.

UA VS FLORIDA

If you have not purchased your tickets to the Alabama Game on November 15th vs. the Florida Gators, you still have time. We would love to have Alabama Juniors cheer on these Alabama (or Florida) athletes and see some collegiate volleyball.

REFFING CLINIC

Please mark your calendars for Jan. 9th. This is our MANDATORY ref clinic. During tournaments, teams will be responsible for keeping books, calling lines, down ref, score, libero tracking, etc. The girls need to know how to do this confidently. This day is also our media day and we are working on some fun game like scenarios for this day. Please block off 9 – 4 (this is longer than previously mentioned). Schedule coming soon.

AAU/SRVA MEMBERSHIPS

Thank you to everyone for obtaining their SRVA and AAU Memberships. We know this is a tedious and confusing process so we appreciate the patience and follow up from each of you. If you are having trouble getting these memberships, please reach out to us.

LOOKING AHEAD

Check your calendars for any special events coming up (Prom, Sadies, etc). Volleyball schedules and school dances tend to conflict. What we DON'T want... weeks before a tournament a lot of girls decide not to attend the tournament because of a conflict. THIS IS NOT FAIR TO THE TEAM. So, let us know NOW if your daughter is unable to attend a tournament so we can reassess.

ADDITIONAL FEES

During the registration process, if you did not elect to add the photography sessions and you would like to, we can add those on your behalf if you would like to participate in this. You can email us at alabamajrs@gmail.com to add. If you did not add the sleeves or add'l tournament to your package and your team is participating in an extra tournament ($200 additional), we will add that to your fees.

HOTELS

If your team is going to a Stay to Play tournament, please utilize the following links to book your hotel rooms. These are live and ready for booking. The Crescent City Classic is a stay to SAVE tournament, meaning you don't have to book through them. However, it my quick research these prices are pretty good. Remember you will have parking charges just about anywhere near the French Quarter that are about $50/day.
